The United States Coast Guard Academy
The United States Merchant Marine Academy

HISTORY 45 years ago a group of service academy parents came together to host Michigan's first All Academy Ball. We joined with parents from other states who were already hosting this annual event. We continue to honor the extraordinary young men and women who commit themselves to the highest standards of academic, athletic, and military achievement by attending one of our nation's five service academies.

EVENT The privilege of hosting the Ball rotates between the West Point, Navy, and Air Force parent's club. This formal event is steeped in tradition and includes a reception, dinner, military ceremony, keynote speaker, silent auction/raffle, and dancing. We provide gifts for our cadets and midshipmen when our sponsors' generosity allows. It is a perfect way for the Michigan community to say thank you to these outstanding young men and women.

MISSION The mission of our U.S. service academies is to develop leaders of character for our armed services. Upon graduation they will commission to serve their country as officers in a branch of the U.S. armed services for a minimum of five years. Many go on to serve our country as leaders in government and business.

DONATION You can play an important role in honoring our cadets and midshipmen by providing a tax deductible contribution to this patriotic event. We accept advertising, cash donations, and in-kind donations for our silent auction/raffle. USAFA Parents' Club of Eastern Michigan is a 501(c)(3) tax exempt organization. EIN 26-2252922.
